BESCHRIJVING

This development has been designed to be Costa del Sol's Iconic new development after 3 years of feedback from Scandinavian clients who just couldn't find what they were looking for here in Costa del Sol. The development consists of 44 state of the art energy efficient apartments and penthouses built to the highest possible standard and only available in 3 or 4 bedrooms, a true family home. The project is situated on two fantastic plots with unrestricted sea views of La Cala de Mijas. All apartments are 3 or 4 bedrooms with build sizes from 116 -141M2 with terraces of 33 – 209M2. Also included is parking for 2 to 3 cars and state of the art home intelligent system. Another feature is the high quality infinity swimming pools. These luxurious apartments come with a full bank guarantee. For the LATEST properties, [CLICK HERE](#)
