The apartment on the higher level has the original distribution with an open kitchen, small lounge, bathroom, and two stairs higher two bedrooms of which one with sea views. The apartment on the lower level has place for a kitchen, dining area, the bedroom and downstairs a lounge area with open fire with authentic details like a stone wall, wooden beams and a very special atmosphere. This property needs updating and small renovation to make it into a even more special property. Our team can give you a professional advice on this subject and show you this lovely house.
