BESCHRIJVING

LAST FEW KEY READY 2 Bedroom Apartments with 1 Bathroom at TERRAZAS DE LA TORRE. Set on a fantastic 18-hole golf course and only 15 minutes from Murcia San Javier Airport and the beaches of the Mar Menor. Prices for these 2 Bedroom, 1 Bathroom Apartments with front line golf views start from just €82,900 with Communal Pool and gardens. For the investor-minded buyer, purchasing on this resort just makes sense...Las Terrazas de la Torre, also known as "Saurines de la Torre", was opened late 2010, built by Polaris World with the superb golf course which is now fully open and functional, offering not only a challenge for golfers but also beautiful views for spectators. The undulating fairways and greens make for a striking contrast with the flat dry countryside outside the resort, an oasis in a desert dotted with other similar projects, including the elder sister of this one, La Torre Golf Resort, just a couple of miles away, a fully completed resort with a raft of

facilities.
