Villa Secret combines comfort and design, with anaesthetic and a layout for those who are looking for a house with sea views, comfortable without having to compromise on style. It has three bedrooms, plus an open-plan space on the bottom floor, which would allow you to convert it into a fourbedroom property. The main bedroom, which takes up a complete wing of the house, with a direct access to the terrace, is made up of the bedroom, a spacious walk-in-closet and an en-suite bathroom. The livingdining room of this house, it's central feature, communicates directly with the porch and the pool's terrace. It also communicates with the kitchen by means of a breakfast bar; this layout allows you to still be able to enjoy the sea views from the kitchen.
