BESCHRIJVING

This Mediterranean style townhouse has been built on a very central location, in a residential area, nearby the sandy beaches of Benidorm as well as the shopping center. In front of the house is a sun terrace surrounded with a wall. At the entrance is the corridor with the kitchen and guest toilet on both sides. The living room with separate dining corner is adjacent to the terrace behind which has the afternoon sun and a BBQ. From that terrace you enter the communal garden and swimming pool. On the first floor are two bedrooms, one bigger bedroom with small terrace overlooking the garden and the terrace below. The other bedroom is facing the front side of the home and both rooms share one bathroom with bathtub. The property has air conditioning, double glazed windows, an equipped kitchen. The restaurant, sport complex of Sierra Cortina is close by as well as the 18-holes golf course and makes it a lovely holiday home.
