BESCHRIJVING

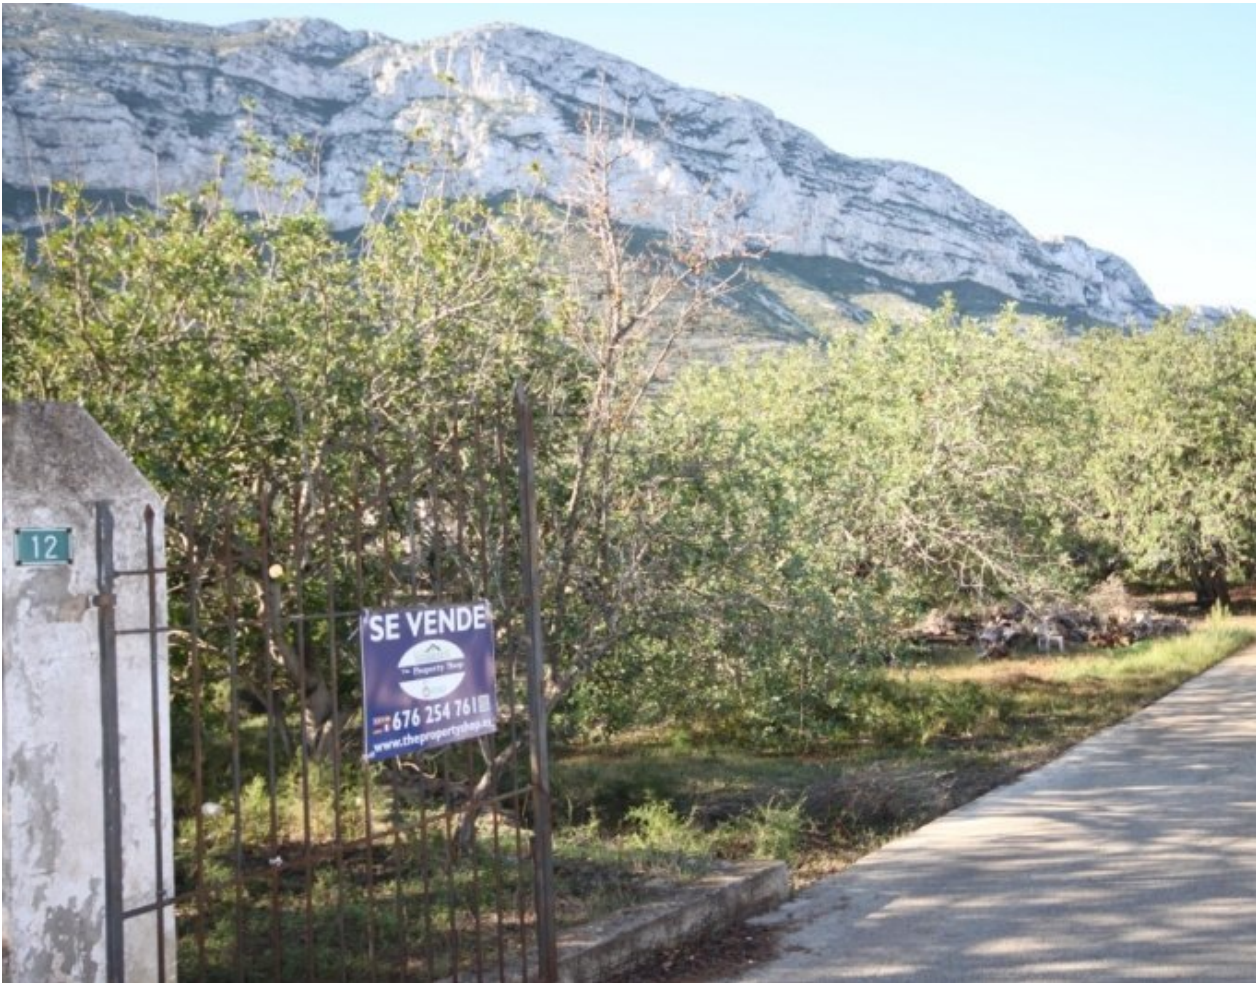

Great location for this building plot of 800m2, with views to the Montgó! The plot is located in the soughtafter area of Campusos/Corral de Calafat, and just a 3 minute drive takes you into the town center and beaches, schools, health center, restaurants etc., The plot is flat, and would be perfect to build a villa on 2 levels, where the upper level would have super sea views! Being offered now at a really good price, call us today to view!
