The hallway is brightly lit from the huge window in the stairway, which in itself is a feature of this wonderfully designed villa. To the left is the large lounge area, which has its open fireplace as center stage. Double floor-to-ceiling French Windows allow light to flood into the living space. The lounge opens up to a covered terrace area which dines 8 people whilst overlooking the pool. There is also a second covered terrace area leading from the lounge towards the garden, furnished in
